

UM 4X4 A/T

- M+S
- Rim Diameter: 15-20
- Aspect Ratio: 85s-60s
- Speed Rating: H/T/S/R

— **ULTRAMILE** —

THE FUTURE OF MOTION

Features & Benefits

- Designed and built for all terrain use on road driving considered high speed stability, off-road driving, and strong traction. Given tough tread block.
- Adopted special compound for strong tread and high cut resistance performance.
- 3D block design enhances the grip ability on both wet and dry road, which could availably protect the tread against injury under severe road conditions.
- All series OWL design provides aesthetics of the tire.

For the passenger car tyres segment Ultramile Tyres has the 600 UTQG treadware rating while in comparison to competitors which are still operating from 380 to 420 UTQG rating. It is **Mr. Rahul Kakad's (Director Trans Tyres India Pvt. Ltd)** vision to bring all terrain tyre in India and set up an Ultramodern plant by 2020 to manufacture ECO friendly low road resistance tyres to save on fuel. Ultramile tyres are available in India since 17 months have surpassed all expectations.

All these tyres are ISI marked and rigorously tested for Indian roads.

**PRESTIGIOUS RISING
